See the next page of this document for CampDoc's brochure on this supplemental insurance offering. If you decide to purchase this supplemental insurance through CampDoc, you will need to type in a tuition and transportation cost for travel insurance coverage. Families can opt just to have emergency medical coverage by not putting amounts into the Tuition and Transportation boxes. If they do want Travel Insurance, the amount that you should instruct parents to type in the tuition box is the National Camp price (\$489 for High School camps {\$462 for Ojai Valley}, and \$350 for Middle School camps). Please instruct parents to type the amount that you are charging locally on top of the National Camp price into the transportation box. The total amount of the insurance plan cost will be automatically calculated for you after those amounts are typed in.
