MOBILE VIEW EASE & PREFERENCE

Participants can complete their information in CampDoc by either a vertical or horizontal view, depending on your preference and the specific information that is required by your organization.

NEXT STEP

COMPLETING HEALTH FORMS

After you select “Health Profile”, it will direct you to the front page of the participant’s Health Profile. We recommend that you select “Continue” at the bottom of your screen to complete the forms in order, but you are also more than welcome to select the specific step you would like to complete first.

[See more on the next page](#)

CONTINUING TO COMPLETING HEALTH FORMS

Once you have completed a step, please select “Next Step” at the bottom right of your screen to continue to complete your health forms.

At the last step or once your Health Forms are 100% completed (all green checkmarks), you will see your percentage change to 100% at the bottom of your screen.

The screenshot shows the CampDoc interface for a user named Joe Smith. The page is titled "Authorization" and contains a "Health Authorization" section with a statement of acceptance. Below this is a list of health forms, all of which are marked as completed with green checkmarks. A red circle highlights the first five items: OTC Medications, Immunizations, Health History, Insurance, and Healthcare Providers. At the bottom, a "PREVIOUS STEP" button is on the left, and the text "100% Complete" is on the right, with a red arrow pointing to it.

Authorization

Health Authorization

I hereby accept and abide by the provisions of the following statement:

HEALTH AUTHORIZATION

This health history is correct and accurately reflects the health status of the individual to whom it pertains. The person described has permission to participate in all camp activities except as noted above and/or by an examining licensed medical professional. I give permission to the licensed medical professional selected by the camp to order your routine tests.

MULTIPLE PARTICIPANTS ON MOBILE

On a mobile device, the only thing a user can initially see is the first participant, which, in this case, is [Name]. Here's how you can see the rest of your participants' profiles:

1. Log in to your [[CampDoc account](#)].
2. Gently pull your finger from the top of the device down until you see the green CampDoc banner.
3. In the upper-left corner, tap the Menu icon (☰). You will see your participants' profiles on the left side of the screen.
4. Tap the name of the participant that you're trying to access, and you will see a submenu for their profile.

I included a screenshot to show you what I mean:

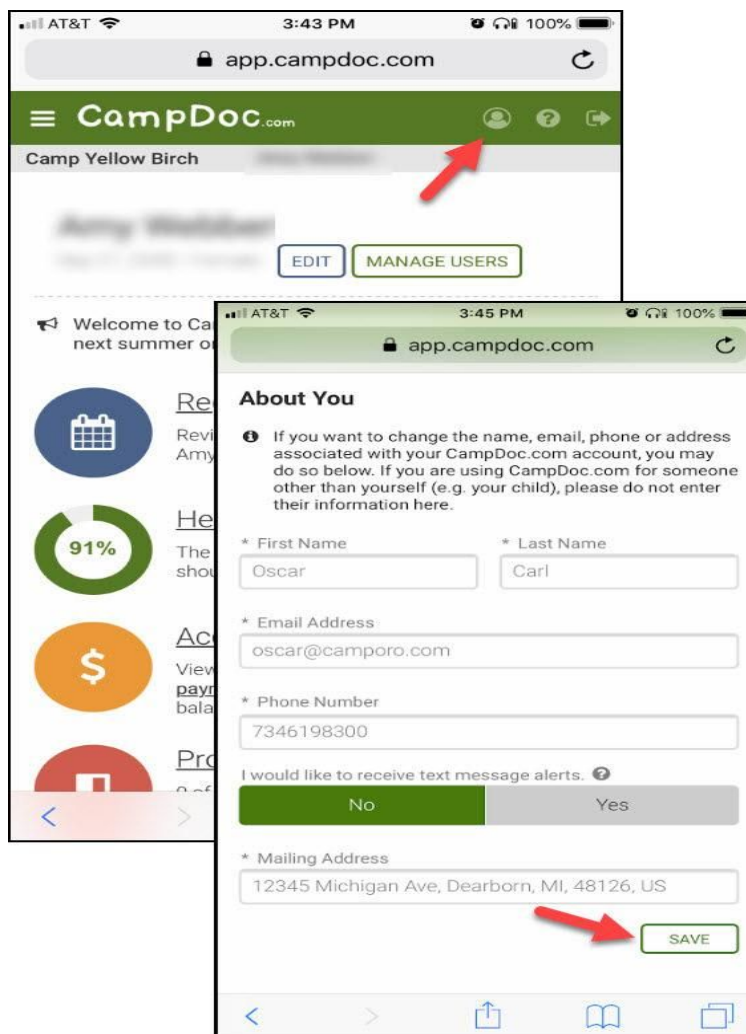

UPDATING PERSONAL INFORMATION

I think you may be trying to update your personal information using a mobile device. Here's how you can do that:

1. Gently pull your finger down from the top of your mobile device until you see the green [CampDoc.com] banner.
2. In the upper-right corner, tap the Person icon ().
3. Make any necessary updates.
4. Click the SAVE button.

I included a screenshot below to show you what I mean:

You can check out [this article](#) if you want to learn a little more about updating your information on the About You page.

ADDITIONAL PERSONALIZED SUPPORT

Contact our Support Team directly for additional personalized support:

- **Phone:** (734) 636-1000
